

Cloud Assessment Tool – Terms of Use for externals (3rd party)

All content on this site is the property of the Boehringer Ingelheim group of companies and protected by copyright. Elements of these websites are protected by copyright, trade dress, trademark, unfair competition, and other laws and may not be copied or imitated in whole or in part. Any rights not expressly granted herein are reserved.

The 3rd party agrees that any information and data exchanged with Boehringer Ingelheim will be handled in accordance with applicable laws, regulations and contractual obligations, in particular – in case of personal data / personal identifiable information - in accordance with applicable data protection / privacy laws and thus in a confidential manner.

The information and data shared with the 3rd party using the Cloud Assessment Tool must not be shared outside of its intended use and the defined purpose and must be done in consideration of a confidentiality agreement, a data sharing agreement and/or, if applicable, a data protection agreement such as a data processing agreement (DPA) or data transfer agreement (i.e. EU Standard Contractual Clauses – EU SCC) between the third party and Boehringer Ingelheim.

Disclaimer

The Boehringer Ingelheim group of companies and/or its respective suppliers make no representations about the suitability of the information contained in the documents and related graphics published on this site for any purpose. All such documents and related graphics are provided "as is" without warranty of any kind. The Boehringer Ingelheim group of companies and/or its respective suppliers hereby disclaim all warranties and conditions with regard to this information, including all implied warranties and conditions of merchantability, fitness for a particular purpose, title and non-infringement. All access and use of and the content thereof is at the own risk of the user.

The documents and related graphics published on this server could include technical inaccuracies or typographical errors. Changes are periodically added to the information herein. The Boehringer Ingelheim group of companies and/or its respective suppliers may make improvements and/or changes in the product(s) and/or the program(s) described herein at any time.

Notices regarding software, documents and services available on this website

In no event shall the Boehringer Ingelheim group of companies and/or its respective suppliers be liable for any special, indirect or consequential damages or any damages whatsoever resulting from loss of use, data or profits, whether in an action of contract, negligence or other tortious action, arising out of or in connection with the use or performance of software, documents, provision of or failure to provide services, or information available from this site.

We expect connected externals to operate their devices in a secure and compliant way and to regularly update their device, OS and apps. In case the device, OS or app used for access is determined as vulnerable Boehringer Ingelheim reserves the right to block access to shared data or resources without undue delay and without prior notice.
